WALCOM

Top Kit

Swansea | Independent Paint Supplies | Cardiff

PRODUCT DETAILS

The Walcom Top Kit is a versatile, high-quality spray painting solution crafted for professionals in the automotive, industrial, and commercial sectors. Designed for exceptional atomisation and reliable performance, this kit offers the flexibility and precision needed for a variety of specialised applications.

KEY FEATURES:

- **Genesi Carbonio EVO HTE Base & Clear Spray Guns:**
 - Optimized for both base coat and clear coat applications with high transfer efficiency.
 - Lightweight Carbon Fiber Body reduces user fatigue, enabling longer usage sessions.
 - Ergonomic design ensures comfort and precision control for professional-grade finishes.
 - Fine atomization technology provides a consistent spray pattern for smooth, even coverage.
 - Low air consumption, making it more efficient and cost-effective for workshops.
 - **Adjustable Nozzle (Ø1.3):**
 - Versatile 1.3mm nozzle suitable for a wide range of paint viscosities and application types.
 - Provides precise control over spray pattern, flow rate, and atomization for superior results.
 - **Durability and Reliability:**
 - Built with high-quality components for long-lasting performance.
 - Corrosion-resistant materials ensure extended lifespan, even with frequent use of harsh paints.
 - **Efficiency and Cost Savings**
 - Reduced paint waste thanks to high transfer efficiency, saving costs on materials.
 - Faster application speeds without sacrificing quality, improving productivity in professional workshops.
 - **Comprehensive Kit:**
 - Includes a branded Genesi Carbonio T-Shirt, adding a touch of professionalism to your setup.
 - Ideal for automotive, commercial, and industrial painting applications.
-

ITEM DESCRIPTION
